Human Relations Day Special Offering... Let's Get Radical: Think Justice

Radical means “from the root or foundation.” That is how Jesus changed lives and how we, his followers, are called to change the world. Being in ministry with the poor requires a radical or fundamental approach to overcoming not just the consequences but also the causes of poverty. It's a matter of justice.

Your **Human Relations Day offering** supports vital community ministries that teach and advocate for justice, especially among people struggling to survive in the margins of society. For example, students at United Methodist-related [Philander Smith College](#) in Little Rock, Ark., are becoming more involved in social concerns with help from the United Methodist Voluntary Service program. Combining academics with activism, the tiny, historically black college—with “Think Justice” as its motto—is teaching students to pursue justice for a better world.

Please use the special offering envelope inserted into the bulletin for your special offering.
